SUMMARY

Driven and meticulous Full Stack Developer with a solid background in web development utilizing the MERN stack. I like creating responsive and user-friendly applications, and I'm always excited to explore new technologies and enhance my abilities. I have hands-on experience in building projects with HTML, CSS, JavaScript, and React, as well as fundamental backend skills. Seeking an opportunity to contribute, learn, and develop as a developer.

EDUCATION

Shobhit Institute of Engineering & Technology

Bachelor of Computer Applications (BCA) |

Aug 2024 – May 2027

Meerut, Uttar Pradesh

PROJECTS

Car Rental System | HTML, CSS, JS, React.js, Node.js, Express.js, MongoDB.

- Created a complete Car Rental System with the MERN stack, allowing users to explore, reserve, and handle car rentals via a responsive web interface.
- Created an intuitive user interface with seamless navigation and enhanced backend APIs to ensure efficient data handling and improved system performance.
- Developed user authentication, booking management, and dynamic data handling with React, Node.js, Express, and MongoDB.
- GitHub: <https://github.com/SatishKumar-git/Car-Rental-system>

The Burger Hub | HTML, CSS, JS

- Created a responsive food website called "The Burger Hub" using HTML, CSS, and JavaScript to display the menu and essential restaurant information.
- I created this project for learning purposes, inspired by my brother's restaurant, using real-world concepts to enhance my frontend development abilities.
- Emphasizing a clean UI design, seamless navigation, and a mobile-friendly layout to improve the user experience.
- GitHub: <https://github.com/SatishKumar-git/The-Burger-Hub>

TECHNICAL SKILLS

Languages: C, C++, JavaScript

Frontend: Html, Css, React.js

Backend: Node.js, Express.js

Databases: MySQL, MongoDB

Tools: Postman, GitHub, VS Code

Certifications & Continuous Growth

- Google Student Ambassador- Developed leadership and communication abilities.
- Internshala Student Partner- Gained experience in networking and student engagement.
- Microsoft Power BI Hands-on Workshop & HCL GenAI Workshop – Completed.
